

THE FUND FOR WOMEN & GIRLS AN EVENING TOGETHER

THURSDAY, APRIL 11, 2024, 5:30PM - 7:30PM | GREENWICH COUNTRY CLUB

JOIN US IN STRENGTHENING FAMILIES & COMMUNITIES BY HELPING WOMEN IMPROVE THEIR LIVES

Every year, FCCF's Fund for Women & Girls has celebrated the great work and commitment of our community to helping women and girls in Fairfield County imagine new dreams and realize their potential.

We invite you to sponsor our event ensuring the Fund for Women & Girls can continue to invest in sustainable solutions to both meet the immediate needs of many, and address the systemic changes required so that everyone has an equitable opportunity to thrive – regardless of race, zip code or gender.

Event sponsors will join a passionate group of supporters and partners to celebrate the work of the fund, be inspired by the beneficiaries of the fund and be influenced by the innovative journalist Jane Pauley.

Now the host of CBS Sunday Morning, Jane Pauley has forged a path through a broadcast career that spans more than four decades. Diagnosed with bipolar disorder at age 50, she is a powerful advocate for mental health awareness and has lent her name to the Jane Pauley Community Health Center, a Federally Qualified Health Center that serves communities in need.

As always, proceeds will benefit Fairfield County's Community Foundation's Fund for Women & Girls, including the signature program, the emme coalition, which works at the intersection of physical wellness, behavioral health, and case management to connect women and girls with lifelong tools for wellbeing that can be passed along to future generations.
